Designed to improve quality of life, the Multi Generational Housing & Community Centre campus includes designated supportive living and long-term care spaces for seniors that promote mental, physical, social and spiritual well-being. Working with our care provider Park Place Senior’s Living we are committed to best in class care for our residents and are looking for individuals to join our family. We have a great opportunity if you would like to work at our state of the art, inter-generational campus, and are committed to serving our residents with care and compassion.

Position Summary

Multi Generational Housing & Community Centre is currently looking for a dedicated, motivated, and passionate individual to join our team as a Charge Nurse in our Long Term Care unit, evening shift.

Duties and Responsibilities Include:

- Promoting quality resident centered care through ongoing detailed assessment and implementing prescribed interventions (medications, medical treatments and procedures) and performing independent nursing interventions
- Ensuring the implementation and ongoing administration of the Resident Care Plans. This includes leadership, support and direction to LPNs and HCAs on an ongoing basis
- Coordinating and participating in MDS data entry by communicating and observing the resident, communicating with direct care staff, interdisciplinary health professionals, and family
- Developing and maintaining a good rapport and therapeutic relationships with Residents, families, management, nursing staff, other departments, and the general public
- Participating in accreditation, accommodation, and other quality improvement activities and projects as required

Essential Skills and Qualifications Include:

- Baccalaureate of Nursing is required
- Registration in good standing with College of Registered Nurses of Alberta (CARNA)
- Minimum of 1 year work experience as an RN
- Experience caring for the geriatric population and those with dementia will be an asset
- An equivalent combination of education, training and experience will be considered.
- Experience and skills working with MDS IntraRai, and Point Click Care will be considered an asset
- Ability to communicate fluently in English, both verbally and in writing.
- Excellent computer skills (MS Office) and knowledge of nursing-related care equipment utilization and management

The successful applicant for this job posting must provide satisfactory proof, or have such proof on file, that they have received the COVID-19 vaccination and any required COVID-19 booster vaccination. This requirement shall be waived if the applicant has not received the vaccination due to any legislated protected human rights grounds. In such a case, and upon presentation of sufficient proof, Multi Generational Housing & Community Centre shall make reasonable attempts to accommodate the applicant to carry out their role where possible recognizing that the health and safety of other employees and residents will be a priority.

All interested applicants, should email resumes to: hr@generationscalgary.com

NOTE: In an effort to further protect our residents as well as other employees and volunteers, Multi Generational Housing & Community Centre requires all new employees to produce a clear Vulnerable Sector Search within 6 months prior to starting work.
