Designed to improve quality of life, the Generations Calgary campus includes designated supportive living and long-term care spaces for seniors that promote mental, physical, social and spiritual well-being. We are committed to best in class care for our residents and are looking for individuals to join our family. If you would like to work at our state of the art, inter-generational campus, and are committed to serving our residents with care and compassion, we invite you to keep reading below.

Position Summary

Generations Calgary is currently looking for dedicated, motivated, and passionate individuals to join our team of casual Licensed Practical Nurses in both Long Term Care and Supportive Living.

Duties and Responsibilities Include:

- Promoting quality resident centered care through ongoing detailed assessment and implementing prescribed interventions (medications, medical treatments and procedures) and performing independent nursing interventions
- Ensuring the implementation and ongoing administration of the Resident Care Plans. This includes leadership, support and direction to LPNs and HCAs on an ongoing basis
- Coordinating and participating in MDS data entry by communicating and observing the resident, communicating with direct care staff, interdisciplinary health professionals, and family
- Developing and maintaining a good rapport and therapeutic relationships with Residents, families, management, nursing staff, other departments, and the general public
- Participating in accreditation, accommodation, and other quality improvement activities and projects as required

Essential Skills and Qualifications Include:

- Successful Completion of a recognized LPN program
- Current Registration in good standing with Collage of Licensed Practical Nurses of Alberta (CLPNA)
- Minimum of 1 year work experience as an LPN
- Experience caring for the geriatric population and those with dementia in a long term care or supportive living environment will be an asset
- An equivalent combination of education, training and experience will be considered
- Experience and skills working with MDS IntraRai, and Point Click Care will be considered an asset
- Ability to communicate fluently in English, both verbally and in writing
- Excellent computer skills (MS Office) and knowledge of nursing-related care equipment utilization and management

GENERATIONS
CALGARY

The successful applicant for this job posting must provide satisfactory proof, or have such proof on file, that they have received the COVID-19 vaccination and any required COVID-19 booster vaccination. This requirement shall be waived if the applicant has not received the vaccination due to any legislated protected human rights grounds. In such a case, and upon presentation of sufficient proof, Generations Calgary shall make reasonable attempts to accommodate the applicant to carry out their role where possible recognizing that the health and safety of other employees and residents will be a priority.

NOTE: In an effort to further protect our residents as well as other employees and volunteers, Generations Calgary requires all new employees to produce a clear Vulnerable Sector Search within 6 months prior to starting work.
