CALGARY

Cook (Casual)

Location:	120 Skyview Ranch Drive NE
Employee Status:	Casual
Reporting to:	Food Services Supervisor
Date Available:	Immediately
Application Closing Date:	Open until suitable candidates are found
Rate of Pay:	To be commensurate with qualifications and experience

Designed to improve quality of life, the Generations Calgary campus includes designated supportive living and long-term care spaces for seniors that promote mental, physical, social and spiritual well-being. We are committed to best in class care for our residents and are looking for individuals to join our family. We have a great opportunity if you would like to work at our state of the art, inter-generational campus, and are committed to serving our residents with care and compassion.

Position Summary

Generations Calgary is currently looking for a dedicated, motivated, and passionate individual to join our team of Cooks.

Duties and Responsibilities Include:

- Responsible for the preparation and delivery of high-quality food, ensuring service is of the highest standard.
- Ensure all food is prepared in a timely manner and meets food safety guidelines.
- Collaborate with the kitchen team to ensure smooth operations and safe performance of duties in the food services department.
- Maintain supply, production, cleaning, and other records pertaining to the management of the Food Service Department.
- Report problems to the Food Services Supervisor with suggestions to address the problem.
- Maintain a clean and organized work area - follow proper food handling and sanitation procedures.
- Follow instructions given by immediate supervisor daily.

Essential Skills and Qualifications Include:

- Grade 12 diploma; food service preparation experience preferred.
- Experience in health care setting.
- Certification in Safe Food Handling. Experience in hospitality, with culinary background.
- Experience in cooking under minimum supervision.
- Skills in cook-to-order and large group meal preparation.
- Knowledge of East Indian and East African cuisine an asset.
- Basic knowledge of modified diets, such as texture, consistency, and allergies.
